4. Authorize the Fire Chief or his designee to suspend and/or terminate the contract, if deemed necessary, in accordance with the District's contract for Emergency Medical Program Design, Implementation and Supervision Services. In addition, authorize the Fire Chief or his designee to amend this contract by way of extensions to meet the terms and conditions as set forth above and within the contract.
5. Authorize the annual contract expenditure for the first contract year at \$101,975, (\$80,975 for services and \$21,000 reimbursable expenses), year two at \$103,999 (\$82,999 for services and \$21,000 reimbursable expenses), and year three at \$106,074 (\$85,074 for services and \$21,000 reimbursable expenses.) Total annual cost of \$312,048 based on the District's previous and current fiscal year expenditures which includes a cost of living adjustment on services only.

In addition, authorize expenditures for two (2) additional one-year periods and an additional twelve month-to-month extensions at \$331,197, representing the total cost of the extensions, which includes a cost of living adjustment on services only. The Contract will be subject to Cost of Living Adjustments (COLAs) requests for multi-year service contracts (Policy No. 5.070 of the Board of Supervisors Policy Manual) beginning annually on the contract's anniversary date and will include the two (2) one (1) year renewal options and twelve (12) month-to-month extensions.

PURPOSE OF RECOMMENDED ACTION:

The Consolidated Fire Protection District of Los Angeles County requires the continuation of Medical Director Services for emergency medical program quality assurance expertise and design and implementation support services and to ensure compliance with State Emergency Medical Authority regulations. Dr. Pratt will provide the necessary experience and background to monitor the performance of the EMS personnel to maintain a level of quality assurance that will provide service to the public and to limit the District's exposure to liability claims.

ENVIRONMENTAL DOCUMENTATION:

The services provided through this contract will not have a significant effect on the environment and therefore the contract is exempt from CEQA, pursuant to Section 15061(b) (3) of the CEQA Guidelines.

JUSTIFICATION:

The need to implement new techniques as they are approved is of paramount importance to the District. The District currently responds to in excess of 140,000 EMS calls per year, which are handled by EMT Paramedics and/or EMT-1 certified personnel. Additionally, the State of California has mandated quality assurance, annual reviews and EMS regulations updates. By utilizing Dr. Pratt, the District will be better prepared to comply with these State mandates and other medically related issues.

IMPLEMENTATION OF STRATEGIC PLAN GOALS:

In accordance with the Strategic Plan Goals of service excellence, fiscal integrity, organizational effectiveness, and workforce excellence, the implementation of Consultant's contract, along with the need to review performance, monitor the continuing education programs, and to implement new techniques, promotes and further enhances the District's goal of quality control in the performance of Emergency Medical Services.

FISCAL IMPACT/FINANCING:

Under this contract, the Consultant will continue to provide these necessary services on an "as needed" basis to the District for an amount not to exceed \$101,975 the first contract year, and a total of \$210,073 for contract years two (2) and three (3), to be effective from January 1, 2006. Of this amount, \$80,975.04 has been designated as compensation for direct medical services and up to \$21,000 for reimbursable expenses related to his services to the District for the first contract year. For contract year two, \$82,999 has been designated as compensation for direct medical services and up to \$21,000 for reimbursable expenses and for calendar year three, \$85,074 has been designated as compensation for direct medical services and up to \$21,000 for reimbursable expenses. In addition, \$331,197 is the total cost for the three (3) year extension.

The continuation of the Consultant's services is a cost-effective alternative to hiring a full-time medical director as an employee, which would cost the District an estimated \$220,764 annually for salary and benefits. This estimate was determined from the physician salaries quoted in the 2004 Personnel Administration Handbook (Code Section 6.08.210).

Funds have been budgeted in the District's Fiscal Year 2005-06 Budget to cover the cost of this contract for the remainder of Fiscal Year 2005-06. Appropriations will be included in our budget requests for subsequent fiscal years.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The Consultant's expertise dates back to 1975 while employed by the UCLA Hospital and Clinics in their Emergency Medical Center. The Consultant was employed by the Los Angeles County Department of Health Services previously from June 24, 1981 until he resigned on June 30, 1989. In 1988 he served in a volunteer capacity with the District as Consultant on EMS issues. The Consultant has been utilized by the District under a consultant contract since May of 1990, with a renewal of the contract in January of 1998 until present. He is currently the Chief of Emergency Medicine at Torrance Memorial Hospital.

To assure the continued quality of emergency medical service, it has been determined that the Consultant will provide the required expertise in the following areas:

- Review of EMT-1 and paramedic performance and implementation of quality assurance guidelines.
- Emergency medical services (EMS) system modifications, operational policies, procedures and practices.
- EMS legal issues and risk management.
- EMS data conversion.
- Review and approve EMT-1 and paramedic training module.
- Multi-Casualty incident planning and management for EMS.
- Disaster preparedness planning and management for EMS.
- Communicable disease exposure prevention and education.
- Design of pre-hospital emergency medical care improvements.

The Consultant has the level of experience that will readily facilitate the implementation of a cost-effective EMS quality assurance program. The Consultant has provided the medical program supervision to the District since 1988. This contract is merely a renewal of his services.

Conditions of the contract stipulate that the Consultant shall provide no service which conflicts with his performance under the contract, nor shall the Consultant provide any services on behalf of the District for any project or facilities in which the Consultant has a financial or personal interest.

The Honorable Board of Supervisors
December 13, 2005
Page 5

This contract has been properly executed by Franklin D. Pratt, M.D., and County Counsel has approved it as to form.

CONTRACTING PROCESS:

Per Policy No. 5.100 of the Board of Supervisors Policy Manual for sole source contracts \$250,000 or greater, the District notified your Board of our intent to proceed with negotiating the sole source contract last December. This contract is a continuation of Medical Director Services provided to the District since 1988 and renewed in January of 1998. Because of this long-term relationship with the District and Dr. Pratt's intimate knowledge of the District's paramedic program, soliciting proposals and qualification statements would not be cost-beneficial to the District. Health and Safety Code 13861 authorizes the District to approve this contract for specialized services.

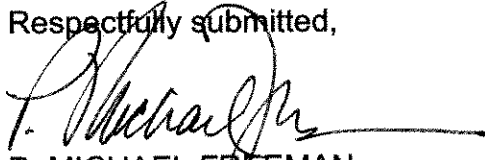

IMPACT ON CURRENT SERVICES (OR PROJECTS):

The Medical Director will provide performance review, implement new techniques and oversee the continuing training of EMT Paramedics, who respond to over 140,000 EMS calls annually.

CONCLUSION:

Upon execution by your Honorable Board, please return two original certified copies of the contract and the adopted Board Letter to the District.

Respectfully submitted,

P. MICHAEL FREEMAN

It is the District's policy that this Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

8.8.2 Written Employee Jury Service Policy.

1. Unless Contractor has demonstrated to the District's satisfaction either that Contractor is not a "Consultant" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Consultant qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Consultant shall have and adhere to a written policy that provides that its Employees shall receive from the Consultant, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Consultant or that the Consultant deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Sub-paragraph, "Consultant" means a person, partnership, corporation or other entity which has a contract with the District or a subcontract with a District Consultant and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more District contracts or subcontracts. "Employee" means any California resident who is a full time employee of Consultant. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the District, or 2) Consultant has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less

- within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Consultant uses any subcontractor to perform services for the District under the Contract, the subcontractor shall also be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If Consultant is not required to comply with the Jury Service Program when the Contract commences, Consultant shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Consultant shall immediately notify District if Consultant at any time either comes within the Jury Service Program's definition of "Consultant" or if Consultant no longer qualifies for an exception to the Jury Service Program. In either event, Consultant shall immediately implement a written policy consistent with the Jury Service Program. The District may also require, at any time during the Contract and at its sole discretion, that Consultant demonstrate to the District's satisfaction that Consultant either continues to remain outside of the Jury Service Program's definition of "Consultant" and/or that Consultant continues to qualify for an exception to the Program.
 4. Consultant's violation of this Sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, District may, in its sole discretion, terminate the Contract and/or bar Consultant from the award of future District contracts for a period of time consistent with the seriousness of the breach.

8.9 CONFLICT OF INTEREST

Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Consultant require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Consultant shall give **first consideration** for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

Should the Consultant require additional or replacement personnel after the effective date of this Contract, the Consultant shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Consultant's minimum qualifications for the open position. For this purpose, consideration shall mean that the Consultant will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Consultant. 8.12 CONSULTANT'S RESPONSIBILITY AND DEBARMENT

8.12.1 Responsible Consultant

A responsible Consultant is a Consultant who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the District's policy to conduct business only with responsible Consultants.

8.12.2 Chapter 2.202 of the County Code

8.12.4 Consultant Debarment

If there is evidence that the Consultant may be subject to debarment, the District will notify the Consultant in writing of the evidence that is the basis for the proposed debarment and will advise the Consultant of the scheduled date for a debarment hearing before the Contractor Hearing Board.

The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Consultant and/or the Consultant's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Consultant should be debarred, and, if so, the appropriate length of time of the debarment. The Consultant and the District shall be provided

an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Contractor Reinstatement

If a Contractor has been debarred for a period longer than five years, the Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The District may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the District.

The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for a least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes support documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of

Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The District shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the District is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Consultant agrees to defend and indemnify the District from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 PUBLICITY

8.37.1 The Consultant shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Consultant's need to identify its services and related clients to sustain itself, the District shall not inhibit the Consultant from

publishing its role under this Contract within the following conditions:

- The Consultant shall develop all publicity material in a professional manner; or
- During the term of this Contract, the Consultant shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the District without the prior written consent of the District's Contract Director. The District shall not unreasonably withhold written consent.

8.37.2 The Consultant may, without the prior written consent of District, indicate in its proposals and sales materials that it has been awarded this Contract with the District, provided that the requirements of this Sub-paragraph 8.37 shall apply.

8.38 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Consultant shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Consultant shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Consultant agrees that the District, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or records relating to this Contract. All such material, including, but not limited to, all financial records, timecards and other employment records, and proprietary data and information, shall be kept and maintained by the Consultant and shall be made available to the District during the term of this Contract and for a period of five (5) years thereafter unless the District's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Consultant at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the District's option, the Consultant shall pay the District for travel, per diem, and other costs incurred by the District to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.1 In the event that an audit of the Consultant is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Consultant or otherwise, then the Consultant shall file a copy of such audit report with the District's Auditor-Controller within thirty (30) days of the Consultant's receipt thereof, unless otherwise

provided by applicable Federal or State law or under this Contract. The District shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.38.2 Failure on the part of the Consultant to comply with any of the provisions of this Sub-paragraph 8.38 shall constitute a material breach of this Contract upon which the District may terminate or suspend this Contract.

8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the District may conduct an audit of the Consultant regarding the work performed under this Contract, and if such audit finds that the District's dollar liability for any such work is less than payments made by the District to the Consultant, then the difference shall be either: a) repaid by the Consultant to the District by cash payment upon demand or b) at the sole option of the District's Auditor-Controller, deducted from any amounts due to the Consultant from the District, whether under this Contract or otherwise. If such audit finds that the District's dollar liability for such work is more than the payments made by the District to the Consultant, then the difference shall be paid to the Consultant by the District by cash payment, provided that in no event shall the District's maximum obligation for this Contract exceed the funds appropriated by the District for the purpose of this Contract.

8.39 RECYCLED BOND PAPER

The Consultant agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.40 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN CHILD SUPPORT COMPLIANCE

Failure of the Consultant to maintain compliance with the requirements set forth in Sub-paragraph 8.16 - CONSULTANT'S WARRANTY OF ADHERENCE TO DISTRICT'S CHILD SUPPORT COMPLIANCE PROGRAM, shall constitute a default by the Consultant under this Contract. Without limiting the rights and remedies available to the District under any other provision of this Contract, failure to cure such default within 90 days of notice by the Los Angeles County Child Support Services Department shall be grounds upon which the Auditor-Controller or the District's Board of Supervisors may terminate this Contract pursuant to Sub-paragraph 8.42 - TERMINATION FOR DEFAULT.

8.41 TERMINATION FOR CONVENIENCE

8.41.1 This Contract may be terminated, by in whole or in part, from time to time, when such action is deemed by the District through its Fire Chief, or his designee, to be in its best interest. Termination of work hereunder shall be effected by delivery to the Consultant of a notice of termination specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than fifteen (15) days after the notice is sent.

8.41.2 After receipt of a notice of termination, and except as otherwise directed by the District, the Consultant shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.41.3 For a period of five (5) years after final settlement under this Contract, the Consultant shall make available to the District, at all reasonable times, all its books, records, documents, or other evidence bearing on the costs and expenses of the Consultant under this Contract with respect to the termination of work hereunder. All such material shall be maintained by the Consultant at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the District's option, the Consultant shall pay the District for travel, per diem, and other costs incurred by the District to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.42 TERMINATION FOR DEFAULT

8.42.1 The District through its Fire Chief or his designee, may by written notice to the Consultant, terminate the whole or any part of this Contract, if, in the judgment of District:

- Consultant has materially breached this Contract;
- Consultant fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Consultant fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails

- to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the District may authorize in writing) after receipt of written notice from the District specifying such failure.

8.42.2 In the event that the District terminates this Contract in whole or in part as provided in Sub-paragraph 8.42.1, the District may procure, upon such terms and in such manner as the District may deem appropriate, goods and services similar to those so terminated. The Consultant shall be liable to the District for any and all excess costs incurred by the District, as determined by the District, for such similar goods and services. The Consultant shall continue the performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.

8.42.3 Except with respect to defaults of any subcontractor, the Consultant shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.42.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Consultant. Such causes as determined by District may include, but are not limited to: acts of God or of the public enemy, acts of the District in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Consultant. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Consultant and subcontractor, and without the fault or negligence of either of them, the Consultant shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Consultant to meet the required performance schedule. As used in this Sub-paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.42.4 If, after the District has given notice of termination under the provisions of this Sub-paragraph 8.42, it is determined by the District that the Consultant was not in default under the provisions of this Sub-paragraph 8.42, or that the default was excusable under the provisions of Sub-paragraph 8.42.3, the rights and obligations of the parties shall be the same as if the

notice of termination had been issued pursuant to Sub-paragraph 8.41 - TERMINATION FOR CONVENIENCE.

- 8.42.5 In the event the District terminates this Contract in its entirety due to the Consultant's default as provided in Sub-paragraph 8.42.1, the Consultant and the District agree that the District will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the District's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Consultant and the District agree that the District shall, at its sole option and in lieu of the provisions of Sub-paragraph 8.42.2, be entitled to liquidated damages from the Consultant, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Contract sum, whichever is less, as equitable compensation to the District for such actual damages. This amount of liquidated damages shall be either paid by the Consultant to the District by cash payment upon demand or, at the sole discretion of the District, or designee, deducted from any amounts due to the Consultant by the District, whether under this Contract or otherwise.

These liquidated damages shall be in addition to any credits, which the District is otherwise entitled to under this Contract, and the Consultant's payment of these liquidated damages shall not in any way change, or affect the provisions of Sub-paragraph 8.24 - INDEMNIFICATION.

- 8.42.6 The rights and remedies of the District provided in this Sub-paragraph 8.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.43 TERMINATION FOR IMPROPER CONSIDERATION

- 8.43.1 The District may, by written notice to the Consultant, immediately terminate the right of the Consultant to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Consultant, either directly or through an intermediary, to any County or District officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Consultant's performance pursuant to this Contract. In the event of such termination, the

District shall be entitled to pursue the same remedies against the Consultant as it could pursue in the event of default by the Consultant.

8.43.2 The Consultant shall immediately report any attempt by a County or District officer or employee to solicit such improper consideration. The report shall be made either to the District Contract Director who will then notify the manager/supervisor charged with the supervision of the employee or to the County Auditor-Controller, Office of County Investigations, at (800) 544-6861.

8.43.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.44 TERMINATION FOR INSOLVENCY

8.44.1 The District may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Consultant. The Consultant shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Consultant is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Consultant under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Consultant; or
- The execution by the Consultant of a general assignment for the benefit of creditors.

8.44.2 The rights and remedies of the District provided in this Sub-paragraph 8.44 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.45 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

It is the District policy that the Consultant, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Consultant, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the

Consultant or any County Lobbyist or County Lobbying firm retained by the Consultant to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the District may in its sole discretion, immediately terminate or suspend this Contract.

8.46 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the District shall not be obligated for the Consultant's performance hereunder or by any provision of this Contract during any of the District's future fiscal years unless and until the District's Board of Supervisors appropriates funds for this Contract in the District's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The District shall notify the Consultant in writing of any such non-allocation of funds at the earliest possible date.

8.47 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 WAIVER

No waiver by the District of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the District to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Sub-paragraph 8.48 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.49 WARRANTY AGAINST CONTINGENT FEES

8.49.1 The Consultant warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Consultant for the purpose of securing business.

- 8.49.2 For breach of this warranty, the District shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.
